FOR IMMEDIATE RELEASE

Farmington Police Department Celebrating National Night Out Tuesday, Aug. 6

Farmington, Minn., July 17, 2024 –Farmington Police Department is celebrating National Night Out in various Farmington neighborhoods on Tuesday, Aug. 6.

The annual National Night Out (NNO) event is on the first Tuesday in August! Farmington police and fire are excited to visit neighborhood celebrations again. Request a visit using our [National Night Out form](#). This year we will continue the tradition of collecting items for the Farmington Food Shelf. Let's see how many pounds of donations we can get! Find the food shelf's most needed food, personal care, and cleaning items on their website at [Our Needs - 360 Communities](#).

This annual event was created to heighten awareness of crime and drug prevention and generate support for police programs. NNO enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Visit the NATW website for a free organizational kit filled with "how-to" materials.

For more information about National Night Out, visit [natw.org](#) or go to [FarmingtonMN.gov/Police](#).
