FOR IMMEDIATE RELEASE

Farmington Police Department Introduces K9 Moose to the Department

Farmington, Minn., Feb. 18, 2025 – Farmington Police Department is excited to introduce K9 Moose this year!

K9 Moose will be partnered with Officer Kyle Miller, and they will go through extensive training together with the help of the Soldiers 6 Organization. Training will start in February and the pair will continue to train throughout the year. Soldiers 6 is a 501(c)3 non-profit organization based in MN and they provide service dogs to heroes.

The Farmington Police Department's new support K9, Moose, will play a vital role in enhancing officer wellness and providing emotional support to department staff. Once trained, Moose will accompany his handler, Officer Kyle Miller, to work daily, offering comfort and companionship to officers dealing with the stresses of law enforcement. In addition to his internal support role, Moose will attend various community events, helping to strengthen relationships between the department and the public. He and Officer Miller will also be available to assist officers following critical or high-stress calls, providing much-needed support in difficult moments. Furthermore, after Officer Miller completes peer support training, Moose will officially become part of the Farmington PD's peer support team, reinforcing the department's commitment to the well-being of its personnel.

Farmington PD is excited for this journey and can't wait for Moose to make a difference! For more information about the K9 program through Soldiers 6 you can check out their website at Soldiers6.com or their [Soldiers 6 Facebook page](#). Questions directly related to Moose and the Police Department can be sent to NSiem@FarmingtonMN.gov.
