City of Farmington Kiss the Pig Voting for Top the Tater Days Celebration

Farmington, Minn., April 28, 2025 – The City of Farmington will be collecting Kiss the Pig votes online at Webtrac.FarmingtonMN.gov in addition to the canisters throughout town at local businesses.

Saturday, June 28: 4 pm - Kiss the Pig

Vote with your spare change or your credit/debit card! Look for canisters with a photo of each candidate at Farmington businesses and city buildings starting the week of May 19. Otherwise vote online now on the Recreation registration website at Webtrac.FarmingtonMN.gov. The candidate with the most change in their canister and online votes will be crowned the “winner.” The “winner” will pucker up and kiss Betty the pig. Don’t miss the big smooch on the Top the Tater Days stage. All proceeds benefit the Rambling River Center.

The challenger kissers for this year are Briana Anderson of Dairy Queen, Matt Price Farmington Fire Chief, John Moore of Marschall Line and Aimee Schreiber Children’s Librarian. They will go up against the defending kisser Wendy Boos! Good luck to all the kissers.

The city does not organize Top the Tater Days. For more information about the events, visit TopTheTaterDays.com.
