Farmington's Arbor Day Tree Planting on April 26

Farmington, Minn., April 8, 2024 – Farmington has scheduled its 32nd Annual Arbor Day Tree Planting for Friday, April 26 starting at 10 a.m. at Tamarack Park, 895 Cantata Ave.

Farmington has participated in annual Arbor Day tree plantings for many years and is a Tree City USA. The city is happy to announce that a total of 65 trees will be planted in Tamarack Park, Westview Park, Rambling River Park and Hill Dee Park this spring.

ArborDay.org describes the history of Arbor Day. It states that “Today Arbor Day is celebrated in all 50 states. The most common date for the state observance is the last Friday in April — National Arbor Day — but a number of state Arbor Days are at other times to coincide with the best tree planting weather, from January and February in the south to May in the far north.”

We involve the community by asking local fifth graders to help plant a tree. “It will be fun to talk to them about tree planting and tree care basics,” said Ed Rutledge Natural Resources Specialist.
