To the City of Farmington,

It is with deep reflection and sincerity that I submit my resignation as Mayor, effective immediately.

Serving our community has been one of the greatest honors of my life. I am profoundly grateful for the trust you placed in me, the dedication of our city staff, and the passion and resilience of our residents. Together, we have worked through challenges, celebrated progress, and laid foundations that I believe will continue to serve our city well into the future.

After careful consideration, I have come to the difficult decision that I must step away from my role as Mayor to focus on my mental health. This was not an easy conclusion to reach, but it is a necessary one. I believe that leadership requires clarity, presence, and well-being, and at this time, I need to prioritize my health in order to heal and regain balance.

This decision does not diminish my passion for our community or my belief in its future. I have full confidence in our leadership team and elected officials who will continue the work we began, and I remain hopeful and proud of what lies ahead for our city.

Thank you for your understanding, your support, and the opportunity to serve. It has truly been a privilege.

With gratitude and respect,
