Farmington Fire Department Community Blood Drive set for Sept. 28

Farmington, Minn., Sept. 18, 2023 – The Farmington Fire Department will host their annual Community Blood Drive from 1 p.m. to 7 p.m. Thursday, Sept. 28 at Fire Station 1, 21625 Denmark Ave.

“This is another important issue that the Farmington Fire Department is proud to support, as blood donations are always needed,” said Fire Chief Justin Elvestad.

Give blood. The American Red Cross states that every two seconds someone in the U.S. needs blood. This donation event is a special one as all donors will receive a complimentary cup of award-winning fire house chili! To schedule an appointment visit redcrossblood.org and enter sponsor code: Farmington Fire.
